# Safety Helmet VERTEX VENT

## Product information

The VERTEX VENT helmet is very comfortable for work at height and on the ground thanks to the adjustable-strength DUAL chinstrap.
Six-point textile suspension and CENTERFIT and FLIP&FIT systems is a guarantee that the helmet fits securely on the head. Comes with interchangeable standard comfort foam. It has ventilation holes with sliding shutters to allow airflow through the helmet

**Modular accesories (not included):** eye shield, Petzl headlamp, helmet protector, nape protector, nametag holder, hearing protection

... *Read more*

**Material:** ABS (acrylonitrile butadiene styrene), nylon, polycarbonate, high-strength polyester, polyethylene
