

Load Lashing Rollo mini

Product information

Rollo mini is a lashing for securing lighter cargo. Rollo mini is easy to use and the functionality is like a retractable seat belt. The lashing is rolled out to desired length and then tightened like an ordinary lashing. After usage the band retracts automatically. The lashing only consists of one part which benefits ease of use and simplicity.

Marking: According to standard
Standard: EN 12195-2
