

Harness SPEED-AIR 5

Preces apraksts

Body Harness with ventral D-Ring at waist level for rope access work.

- Adjustable shoulder, thigh-straps and waist belt.
- An ideal combination of fall arrest, work positioning, rescue and rope access applications.
- Shoulder belt straps are provided with combination buckles for easy adjustment, automatic buckles on thigh straps.
- 4 tool-holding webbing loops and 3 tool-holding rings for keeping extra karabiners and accessories.
- Easy putting-on and removal thanks to a steel triple action-locking karabiner.
- Soft padding on shoulder, waist and leg straps for an extended comfort.
