

Āķis ar cilpu un aizslēgu. 12.klase

Preces apraksts

This eye sling hook is ideally suited for the pewag winner pro Connex system. It is universally usable and comes with a forged and galvanised safety catch that locks into the tip of the hook, thereby providing excellent protection against lateral shifts. The safety catch with a latch, the safety pin and the stainless spring are available as a spare parts set for each hook and easy and quick to replace by a competent person.
